Crosby spirit shows at Barrett Homecoming

Crosby ISD Celebrates Community

By Brett Birkinbine

Crosby ISD is ready to start the new school year after a weekend full of community engagement celebrating the 2021 Barrett Station homecoming.

Crosby ISD teachers, school leaders and administrators passed out candy and flyers about the upcoming school year during Saturday's community parade. Superintendent Paula Patterson then delivered the keynote address to Little Sisters Empowerment, a new non-profit organization

Dems defy Abbott, continue stay in DC

WASHINGTON, DC - More than 50 Democratic members of the state House fled Austin for Washington, D.C., last Monday, paralyzing the House just as the GOP was advancing sweeping changes in elections during a special session. Under the Texas Constitution, the Legislature requires a quorum of two-thirds of lawmakers to be present to conduct state business in either chamber.

The Texas Democrats plan to spend the week meeting with national voting rights advocates and labor leaders, election officials and other Democrats as they seek to keep the pressure on Congress to pass federal voting legislation.

After news broke over the weekend that

Democratic State Rep. Senfronia Thompson

three members of the caucus had tested positive for

New Bus Service to Generation Park

Harris County Transit Launches On-Demand Transportation

HOUSTON — (July 6, 2021) — Harris County Transit Plus begins its inaugural on-demand transport service today for residents living in the Generation Park-area of Precincts 1, 2 and 4.

This affordable service allows residents to schedule transportation from point A to point B, within two established zones, running along the Northeast quadrant of Beltway 8. The service provides a faster trip and enhanced passenger experience through areas of the county that are less densely developed.

The fare to ride is \$1 for adults and 50 cents for children, seniors and those with disabilities. Cash, transfers from other buses and the METRO Q@ Fare

Card are acceptable forms of payment.

The North Zone runs along Beltway 8 between Highway 59 and the northeast portion of Beltway 8. The South Zone runs between the northeast portion of Beltway 8 to Wallisville Road. The transit zone also includes the area within three-quarters of a mile in either direction

of these sections of Beltway 8.

The METRO Eastsex Park and Ride, located at 14,400 Old Humble Road, is the northernmost anchor point and the Jim Fonteno Annex, located at 14,350 Wallisville Road, is the southernmost anchor point. A central, transfer anchor point in Generation Park is 19,300 W. Lake

Houston Parkway, where riders can transfer between zones. Additional anchor points can be found in each zone at the Walmart parking lots located at 9235 N. Sam Houston Parkway E and 5655 E. Sam Houston Parkway N (see map).

Two 18-passenger buses will travel within these two zones every Monday through Friday from 7 a.m. to 6 p.m. and Saturday from 8 a.m. to 6 p.m.

"Transit Plus is the result of the taking a closer look at the needs of residents and barriers to service that are unique to this section of Harris County. We have prescribed a system that works best for this area," said Harris County Community Ser-

vices Department Executive Director Dr. Adrienne M. Holloway. "We are innovating to meet the needs of residents who require flexible transit options and of businesses that require a mobile workforce."

"Our survey revealed a transportation gap in the county's Northeast corridor," said Paul Weisser, assistant director of Transit Services for the Harris County Community Services Department. "Our goal is for Transit Plus to offer a great customer service experience for residents while allowing them to get where they need to be in a timely manner and at an affordable price."

created to serve girls in the East Harris County area.

Later in the day, Crosby ISD leaders, including Superintendent Patterson and Crosby High School head football coach Jerry Prieto, had to tackle a feast. They were judges for the Barrett Station Homecoming Cook Off. They sampled dozens of dishes in each round – from succulent ribs to mouth-watering brisket. There were also rounds for best chicken and best open dish. In the end, the “Dirty Bay” team won best overall and took home this year’s trophy.

To cap off the Saturday night celebrations, several district leaders attended the Crosby High School Alumni Series 2021 finale at the Crosby Theatre. The stars of the show included CHS alumni from as far back as 2001 and as far away as New York City and Washington State. They performed the laugh-out-loud play “Musical Comedy Murders of 1940.” Ticket sales went to benefit scholarships for current and future Crosby High School students.

In the coming weeks, Crosby ISD will be celebrating the 2021-2022 school year with several events planned, including a New Educator Orientation later this month. The first day of class for students is August 12.

# Harris County Transit Service,

CONTINUED FROM PAGE 1

Residents make a reservation by phoning the transit call center at 832-927-4953 to be picked up and dropped off at any flex stop within the designated zone(s). Reservations can be made up to three days in advance or as late as one hour before pick up. Residents without a reservation can catch a ride at one of the anchor point locations. Transit Plus operates within the zoned areas and does not follow a traditional, fixed bus route, thereby allowing businesses and other service providers in the area to benefit from increased foot traffic. Reservations also can be made using a QR code (attached).

Transit Plus also allows for riders to transfer to existing Harris County routes servicing Sheldon, Channelview, Cloverleaf, Crosby, The Highlands, Baytown and La Porte, as well as the METRO Eastex Park and Ride where METRO fares apply.

Harris County Transit conducted a survey of approximately 97,000 residents in five zip codes to determine the specifications for Transit Plus. Funding for this project, slated to run through February 2022, is approximately \$285,000 and is provided by the Harris County Commissioners Court and the Federal Transit Administration.

#### Man dies in custody at Chambers Co. Jail

ANAHUAC - A 37-year-old man died in police custody last Wednesday following a medical emergency at Chambers County Jail, according to the sheriff's office.

Investigators said Dontriel Javon Coates was booked at the jail for two motions to revoke probation felony warrants. Officials said he was placed in a holding cell to await arraignment.

According to the Chambers County Sheriff's Office, at around 2:20 p.m. Coates asked to speak with the jail administrator, regarding why he was not allowed a bond. Officials said he was informed that he was being held on a no-bond warrant and was returned to his holding cell without incident.

Investigators said Coates remained under supervision throughout the day. However, shortly after a routine check at 4:34 p.m., jail staff said they found Coates in "an off position and sweating profusely." Officials said they took immediate action by notifying the jail medical staff and EMS.

Officials said Coates was transported by ambulance to Bayside Community Hospital shortly after 5:00 p.m., where the medical team performed lifesaving measures for over two hours. But, he was pronounced dead at 7:19 p.m.

Chambers County Justice of the Peace Precinct 5 Judge David Hatfield has ordered an inquest, a standard practice in custodial deaths. While the Department of Public Safety Texas Rangers will conduct the investigation.

"Our thoughts and prayers are with the family and friends of Dontriel Coates at this most difficult time," said Sheriff Brian Hawthorne.

## Parade honors BH State Champs

By BOBBY HORN JR.

MONT BELVIEU—The diamonds were sparkling in Mont Belvieu on July 15 as the City of Mont Belvieu and Barbers Hill ISD joined together to celebrate two state championship teams with a Parade of Champions along Eagle Drive.

City officials closed Eagle Drive from Wilburn Creek Road to Eagle Creek Drive, as the parade traveled north from the school administration building to the high school.

The parade, which began at 7 p.m., featured the softball and baseball teams, along with fire trucks.

Following the parade, a Meet & Greet was held at the Indoor Practice Facility where fans could meet players and coaches, take pictures and sign autographs.

The parade was originally scheduled for June 15 but had to be cancelled due to inclement weather.

The Lady Eagles softball and the Eagles baseball teams won their respective titles last month. According to the University Interscholastic League (UIL), this marked not only the first state titles in the sports for Barbers Hill but also the first time a 5A school had won a softball and baseball state title in the same year.

Softball The Lady Eagles earned the top spot in the MaxPreps Top 25

Fans cheered as the Eagles ride a float from the Barbers Hill ISD Administration Building to the high school.

The Lady Eagles wave to fans as they make their way along the parade route.

Eagle baseball team sign autographs and take pictures with fans at a Meet & Greet following the Parade of Champions.

The Lady Eagles were all smiles as they chat with fans while signing softballs, ballcaps and t-shirts at a Meet & Greet.

high school softball rankings after defeating Aledo 4-1 on June 5. This is the first time a Texas team had topped the ranking.

The Lady Eagles posted a 42-2 record for the season, 12-0 in district play.

Sophia Simpson, who had a 17-1 season with 252 strike outs, struck out 14 against Aledo. She was also named MaxPreps Co-National Player of the Year.

Simpson's partner on the mound was Samantha Landry.

Landry had a perfect season, recording 21 wins with a team-leading 271 strikeouts.

Baseball The Eagles completed a 37-8-1 (10-2 in district) season with a 2-1 victory over Hallsville on June 12.

The team ranked #15 on MaxPreps Top 25 high school baseball rankings.

The team was led by Cameron Cauley, who finished the season with a .437 batting average, 66 hits, 35 RBIs, 60 runs, 38 stolen bases, six home runs and a .973 fielding percentage.

Raithen Malone posted a .350 batting average with 35 hits, 31 RBIs, 31 runs and a .986 fielding percentage.

On the mound Brent Holden put together a 7-0 record with a 1.8 ERA while Hunter Mercer had a 1.41 ERA to go along with a 6-1 record.

#### Houston Methodist Baytown

## Joint Replacement Webinar on July 22

BAYTOWN — (July 15, 2021) — Our joints are pretty durable in general, but over time or through trauma, they can wear down and become damaged, leading to joint stiffness, swelling or pain.

Dr. Mark Franklin, an orthopedic surgeon with Houston Methodist Orthopedics & Sports Medicine at Houston Methodist Baytown Hospital, says there's no reason to suffer through chronic joint pain. There are many options available to help remedy the pain and swelling that can rob you of your mobility and prevent you from living an active life.

Franklin hosts a free joint replacement webinar on July 22 from noon to 1 p.m. to provide information on topics such as managing joint pain and whether joint replacement surgery is right for you. He'll also discuss the types of procedures available at Houston Methodist Baytown Hospital.

There are numerous causes for joints to deteriorate over time, but Franklin says the most common culprit is osteoarthritis,

known as wear and tear arthritis.

"Osteoarthritis occurs over time and can result from getting older; being overweight; from a joint injury from sports or other activities; or genetic predisposition," Franklin said.

While many people try to ignore joint pain and stop participate in activities they enjoy due to lack of mobility, Franklin says there are things you can do to maintain joint health as you age. Eating a healthy diet, for example, can help to relieve pressure on the joints by helping you to maintain an ideal weight.

Exercises that safely stretch and strengthen your joints may help in maintaining a healthy weight. You may also add anti-inflammatory medicine like ibuprofen and naproxen if necessary. In more advanced cases, a doctor may recommend injections that mimic joint fluid or provide pain relief for six to 12 months.

Franklin says while everyone deals with occasional soreness and joint pain, when the pain becomes

DR. MARK FRANKLIN

chronic and severe, the next step should be scheduling an appointment with your doctor.

"As we age, we feel achy and sore after activity. That's natural. When you feel like your knee is swollen, have trouble getting in and out of a chair or car, or it limits your activity, then it's time to see a doctor," Franklin said.

Joint replacement surgery may be an option for many patients. The main goal is to reduce pain so you can perform the natural activities of life. Surgery won't turn a sedentary person into a world-class athlete, but you can become much more

physically functional and stable when your joints no longer hurt.

"While there is no age limit for replacement surgery candidates, it's preferable if joint replacement surgery patients are 55 years old or older since the lifespan of a replacement is around 20 to 25 years. Also, it helps when a person is a healthy weight, with minimal medical problems, is a nonsmoker and comes in with a positive attitude about the recovery process," Franklin said. To decide whether or not to perform a joint replacement, we'll ask you about your medical history, risk factors and how old your parents are now or when they passed."

Franklin performs a procedure called direct anterior total hip replacement, a relatively new technique for replacing a worn hip that minimizes down time and speeds recovery without the need for hip positioning limitations after surgery.

Franklin and the orthopedic experts with Houston Methodist Orthopedics and Sports Medicine at

Baytown—Dr. Karthik Jonna, Andrew Friedmann, MD, Dr. Michael Hopson, Jennifer Wagner, MD and David Mann, D.O.—provide comprehensive care for a full range of orthopedic conditions, including arthritis, carpal tunnel syndrome, fractures, rotator cuff repair and sports injuries. For more information and to schedule an appointment, visit [houstonmethodist.org/orthopedics](http://houstonmethodist.org/orthopedics), or call 281-427-7400.

To register for the webinar, visit [houstonmethodist.org/events](http://houstonmethodist.org/events) or call 281.428.2273. You will then receive an email with the link to the webinar.

Houston Methodist Baytown takes every precaution to safeguard your safety and is designated as a COVID-19 vaccine hub. Vaccines are free and available to everyone age 16 and older. Walk-ins are welcome, but you may also schedule an appointment by visiting [houstonmethodist.org/vaccine](http://houstonmethodist.org/vaccine).

### STATE CAPITAL HIGHLIGHTS

By Gary Borders

## Absent lawmakers stymie Special Session

Nearly 60 Texas House Democrats left the state last Monday for Washington, D.C. in an effort to stop passage of a Republican-led elections bill. This in effect blocks all legislation since the House doesn't have a quorum present. As the Austin American Statesman and other media outlets reported, Gov. Greg Abbott has threatened to arrest the absent lawmakers upon their return. While in Washington, the legislators have met with Vice President Kamala Harris and several Democratic senators to push passage of a federal elections bill that is currently stalemated.

The House Democrats have vowed to stay in Washington until the special session ends on Aug. 7. They are using private funds as well as campaign accounts to finance their decampment to the nation's capital and are mounting fundraising campaigns. San Antonio lawmaker Trey Martinez Fischer, one of the leaders of breaking the quorum, said Democrats are spending \$10,000 a day for hotel rooms and meals.

Abbott has blasted the Democrats' absences as a "taxpayer-funded junket."

### ABBOTT ORDERS INVESTIGATION OF JUVENILE JUSTICE DEPARTMENT

Abbott last week directed the Texas Rangers to investigate "multiple allegations" of potentially illegal behavior among certain staff members of the Texas Juvenile Justice Department. The department operates five secure facilities and six halfway houses across the state for youthful offenders. The move comes after numerous complaints that children in state lockups are subject to widespread sexual assault and other violations.

In late 2020, Texas Applesed and Disability Rights Texas filed a complaint with the Civil Rights Division of the U.S.

Department of Justice, claiming "grievous violations of children's constitutional rights." TJJD has been under criticism for more than a decade for what critics term chronic understaffing, abuse and scandal, according to previous published reports.

### INVASIVE SILVER CARP FOUND IN TEXAS WATERS

Invasive silver carp has been found in Texas waters, according to the Texas Parks and Wildlife Department. The invasive species was found in last month in Choctaw Creek, a tributary of the Red River, about 15 miles downstream from Lake Texoma.

"These are the first reports of silver carp from Texas waters, although they have previously been found in other areas of the Red River including just downstream from Lake Texoma in Oklahoma waters in 2019," said Dan Bennett, TPWD fisheries management biologist. "Invasive carp pose a significant risk to Lake Texoma's ecosystem and boaters and there is adequate flow and upstream river area for them to become established and reproduce in the lake if introduced."

The carp are not native to the United States but have become prolific primarily in the Mississippi River Basin. They compete with other species, such as shad and buffalo, and can even pose a risk to humans. They can jump up to 10 feet out of water when

startled by boat engines, sometimes injuring boaters. Some can reach more than 4 feet in length and weigh nearly 90 pounds.

Anyone who catches either silver or bighead carp in Texas waters is asked to report the sighting with location information and photos to [AquaticInvasives@tpwd.texas.gov](mailto:AquaticInvasives@tpwd.texas.gov). Silver and bighead carp are prohibited exotic species in Texas and must be killed upon possession by beheading, gutting, gill-cutting or other means or placed on ice. Neither species can be possessed live.

### FEDERAL FUNDING FOR BEHAVIORAL HEALTH SERVICES

The Texas Health and Human Services Commission is receiving more than \$210 million in federal emergency funding for mental health and substance abuse prevention services in response to the COVID-19 pandemic.

"The pandemic has created much higher demand for mental health and substance use disorder services across Texas," said Sonja Gaines, HHS deputy executive commissioner for Intellectual and Developmental Disability and Behavioral Health Services. "The federal emergency funding will allow us to address challenges associated with the impact of COVID-19 and help get Texans who need behavioral support on the road to recovery."

The Centers for Disease Control and Prevention reported that drug overdose deaths set a record in 2020, driven primarily by opioids. HHSC is using the emergency funding to create and implement a number of initiatives, including expanded access to treatment and recovery programs and diversion services that keep folks with mental health or substance abuse issues out of jails and emergency rooms.

### NEW COVID-19 CASES RISING SHARPLY

Largely because of the delta variant of COVID-19 and a large percentage of unvaccinated Texans, the number of new COVID-19 cases in Texas rose sharply in the past week, with 22,773 new cases reported by the Coronavirus Resource Center at Johns Hopkins University. That's close to double the number of cases the week before, and deaths reported also increased to 192. The Centers for Disease Control reports that 99% of deaths attributed to the virus are people who have not been vaccinated.

Hospitalizations of lab-confirmed COVID-19 patients also rose sharply, to 2,834 currently in Texas hospitals as of Sunday. That's up nearly 50% from the previous week. The number of Texans who are fully vaccinated rose slightly to 12.353 million — 42.3% of all the total state population.

## Dems defy Abbott,

Continued from page 1

Covid-19, the events were moved largely online. Sunday night, the caucus said two more members had tested positive.

### EXPENSIVE PRO-TEST

The price of keeping the Democrats out of Texas through Aug. 7, when the session expires, is expected to be around \$1.5 million, state Rep. Armando Valle said in an interview. Walle said the pair of private charter jets the

majority of legislators took to Washington cost more than \$100,000, while housing, food and other transportation costs will make up the bulk of other expenses.

Who is paying for the exodus has been an open question, as the legislators fled in a hurry without a fundraising plan.

The charter jets were paid for by wire transfer from the state House Democratic Caucus just hours

before takeoff Monday afternoon, after NBC News reported that the legislators were planning to leave town, a caucus staffer with knowledge of the matter said.

Members and staffers have picked up costs on their personal credit cards, too, legislators said.

A large block of hotel rooms at a mid-range D.C. hotel was booked with a House member's personal American Express card, said a legislator, who added that members expect to be reimbursed eventually.
